

***ASIS International San Diego Chapter  
PO Box 632845  
San Diego, CA 92103***

To Whom it May Concern:

ASIS San Diego (International Chapter) is a 501(c)3 organization under which ASIS San Diego falls as a 501(c)6.

Every month, ASIS San Diego hosts a luncheon at which we honor one military and one private sector professional, each of whom have made significant contributions to the security field through management, acts of valor, or sustained superior performance.

Additionally, each year, ASIS San Diego hosts Law Enforcement Appreciation Day where we recognize personnel in Law Enforcement throughout San Diego County. We have a luncheon, keynote speakers and also conduct raffles, door prizes, and other giveaways.

On September 11<sup>th</sup> 2014, ASIS San Diego will be hosting the annual Law Enforcement Appreciation Day with the theme of "Woman in Law Enforcement". This event will attract Law Enforcement and Security professionals along with students and military from all over San Diego. We will also be hosting a "Woman in Security" mixer that night. We are hosting the luncheon at the Admiral Baker Club House and the evening mixer at the Veterans' Museum in Balboa Park.

We are requesting that your organization consider sponsoring our Law Enforcement Appreciation Day events. We have several levels to choose from for both the luncheon and the mixer with different benefits at each level. Attached with this letter, you will find a document outlining each level.

Please do not hesitate to contact us if you have any questions. <http://asisd.org/board.php>

We appreciate your contributions to San Diego and specifically to our organization and the greater security industry. Thank you.

Best Regards,

Andy Crossland

Law Enforcement Liaison
